

Lunarbaboon

I hate the way some
people bully others.

I want to talk
to your manager!

I wish I had the guts
to stand up to bullies

but that's just not me...
I'm not a hero.

Maybe someday I'll be
brave though...

Someday I'll make a difference...

Best coffee
I've
ever
had!

oh...
awesome
Thanks.

Someday ...
